The screenshot displays the HubSpot Marketplace storefront for 'AQUEDUCT' templates. The interface includes a search bar at the top right with the text 'What are you looking for?' and a magnifying glass icon. Below the search bar are navigation tabs for 'Storefront' (selected) and 'Purchased'. A filter bar indicates 'Showing 1 - 10 of 10 products filtered by Bootstrap Creative' with a 'Clear all' option. On the right side of the filter bar, it says 'Most Downloaded' with a dropdown arrow.

On the left side, there is a 'Filter products' sidebar with the following sections:

- Category:** All products (dropdown)
- Price:** Free, Paid
- Provider:** Bootstrap Creative (dropdown)

The main product grid contains the following items:

- Email Newsletter Aqueduct:** Email template, No ratings, Free. Includes a preview of a mobile and Outlook ready email with a recent blog post title and subheading.

Aqueduct Landing Page Template

The Romans constructed aqueducts throughout their empire, **to bring water from outside sources into cities and towns**. Without a consistent supply of water, these cities would have been unable to thrive.

HTML CSS Code Fixes

Sometimes the rich text editor creates some jumbled code with extra padding or margins causing layout issues. I can help edit the source code and clean things up if you encounter this.
